Welcome to **Al Jubail**

Al-jubail Industrial City stands as one of Saudi Arabia's most remarkable modern developments, combining cutting-edge infrastructure with stunning coastal beauty along the Arabian Gulf.

Located on the eastern coast, this vibrant industrial hub has transformed into a destination that seamlessly blends business, leisure, and sport. With scenic waterfront areas and strong local event capability, Al-Jubail is becoming an important location for coastal rowing in the Kingdom. The city has hosted national coastal rowing championships and welcomed World Rowing coastal coach education, reflecting its growing role in Beach Sprint rowing.
